

Employment Resources: Job Searching, Training & Health Insurance

Part of our Living with Uncertainty Workshop Series

If you're newly unemployed or fear that you may soon lose your job, knowing where to turn for support can be overwhelming. What is available in the community to help with a job search? What about training programs? What health insurance options exist? How does COBRA work? Come to this informative workshop led by Charlie Best of the *Seattle King-County Rapid Response Team* and *Statewide Health Insurance Benefits Advisors* representative Robert B. Kohn.
