# EXECUTIVE LETTER

Dear Friends,

As we face one of the most difficult times in our history, we can gain strength by reaching out, connecting, and responding. The resilience of the Jewish people has always been a guiding force for JFS. As the needs in our community evolve and shift, and even grow more challenging, we stand strong together. We continue to take care of each other and people in our community in need of help, despite our own struggles. Our history and our values have prepared us for this moment.

In the days after Oct.7, we responded by creating a new program that offers a safe space with support, connection, and resources for Israelis living here in the Puget Sound. While we may not yet know the enormity of impact we may see in the weeks or months to come, we will continue to listen and respond, drawing from the stable yet flexible foundation we have built for the last 131 years.

This past year, fiscal year 2022-23, brought a period of growth, reflection, and change. We increased our operating budget by 15% as we continue to invest in the developing needs of our community. We welcomed an increased number of refugees and immigrants, connected more older adults and Holocaust Survivors through our Russian Language Socialization Program, and we are seeing the most visitors to the Polack Food Bank than ever before. We created more opportunities for the Jewish community to come together through learning and service.

With this growth comes an additional responsibility to use our resources as wisely as possible and to focus on where we can make the greatest impact. To this end, JFS staff and Board devoted a significant amount of time to strategic planning to assess our strengths, identify areas for improvement, and align our strategies with the evolving landscape of community needs.

This deep introspection fostered productive and thoughtful conversation and has led to a Strategic Plan that will help take JFS into the next 131 years to effectively serve the needs of our clients and the Jewish Community. This path will lead us to go deeper into the areas in which we already excel, invest in other core social services that support needs in our Jewish community, and ensure our program outcomes align with JFS's agency-wide impact goals. You will find additional details on page 4-5.

We hope you will walk alongside us down this path, with Jewish values guiding our way, as it leads us to a future where we will continue to build upon our foundation of resilience, impact, and belonging.

# JFS STRATEGIC PLAN

## **FORGING OUR PATH AHEAD**

Over the past several years, JFS has experienced exciting yet complex changes as we responded to a host of cultural, societal, and community challenges and needs. As we continue to adapt to this changing landscape, the Board of Directors and staff undertook a period of deep reflection to create a strategic plan to move us forward.

### **THREE GUIDING PRINCIPLES PROVIDED A FOUNDATIONAL BACKDROP FOR OUR WORK**

We analyzed our programs, services, and operations from several angles and identified three main areas of focus to guide us moving forward:

**WE ARE  
ANCHORED  
IN OUR RICH  
HISTORY.**

**WE ARE GUIDED  
BY OUR CORE  
VALUES.**

**WE LEVERAGE OUR  
UNIQUE STRENGTHS  
TO MAKE THE  
GREATEST IMPACT.**

JFS is committed to meeting the unique needs of our community by turning values into action. Our refreshed mission statement reads,

“Inspired by our history and values, Jewish Family Service supports the needs of Jewish individuals and families, refugees and immigrants, and our broader community to achieve well-being, health, and stability.”

---

## CLIENT IMPACT

Supporting our clients and our community is at the center of everything JFS does; we strive to strengthen our ability to provide the best possible services in our core program areas. This means we will:

- Focus on services for our core populations of the Jewish community and refugee and immigrant communities, as well as serve the broader community as we are able.
- Grow those programs and services in which we already excel.
- Ensure we have adequate resources and infrastructure to sustain the growth that Refugee & Immigrant Services has experienced in the past several years.
- Invest in other critical social services for Jewish communities as needs emerge.

## COMMUNITY & CONNECTION

We renew and deepen our commitment to connect with and build strong relationships within our diverse Jewish communities. We will continue to:

- Cultivate JFS as a space where Jewish individuals and families can connect with each other and with the Jewish community.
- Provide engagement opportunities for people to put their Jewish values into action through volunteering and financial support.
- Bring awareness of JFS services to the Jewish community so people can access them more easily.
- Conduct a Jewish community needs assessment to identify gaps and strengths in our services and offerings.

## ORGANIZATIONAL INFRASTRUCTURE & STAFF WELL-BEING

The foundation of successful programs and services lies in backbone of the agency—the internal processes, practices, and resources that enable staff and programs to make the greatest impact for our clients.

- Continue to invest in staff, including maintaining a competitive compensation structure and prioritizing parity and equity practices.
- Increase administrative support to enable program staff to center their efforts on delivering services.
- Focus on internal communications and foster a sense of openness and belonging across the agency.
- Refine analysis tools to better measure our programs' success.

## OUR VISION FOR THE FUTURE

Our strategic plan serves as foundation and guiding a path that will enable JFS to:

- Fulfill our moral obligation to serve our communities, both Jewish and non-Jewish.
- Inspire another generation of Jewish people to feel connected and committed to JFS.
- Continue to be known as a thought leader in the Jewish and social service communities.
- Position our core services for growth and development to best serve the people who turn to JFS for help.

# OUR IMPACT

Thanks to you—our caring and generous community—last year JFS helped more than 5,000 community members who turned to us for assistance, stability, and connection.

**“Rental assistance, food assistance—JFS had the navigation I needed to get back on my feet.”**

- FINANCIAL ASSISTANCE CLIENT

## ENABLING HOUSEHOLD STABILITY

- 604 households received financial assistance from a total pool of \$802,469.
- 549 people avoided being evicted from their homes.

## ADVOCATING FOR DOMESTIC VIOLENCE SURVIVORS

## WELCOMING REFUGEES & IMMIGRANTS

- 1,607 refugees and immigrants established homes, integrated into their community, navigated services, and built new lives.
- 252 survivors of human trafficking, unaccompanied youth, and those needing legal assistance found hope for a better future.

## HONORING OLDER ADULTS & HOLOCAUST SURVIVORS

- 163 older adults aged at home in comfort and dignity with the help of staff and their JFS-supported caregivers, 56 of whom are Holocaust Survivors and 93% of whom are Jewish.
- 399 Russian older adults, including 126 Holocaust Survivors, enjoyed peer companionship and intellectual stimulation in our Russian Language Socialization Program.

## SUPPORTING THOSE WITH COGNITIVE DISABILITIES

\* JFS discontinued Counseling and Addiction Services in November 2023. Mental health education will continue as part of our JFS Community Connections program.

**“When we arrived here, thanks to Jewish Family Service, everything was prepared—the fridge was full with lots of food and everything was ready for us.”**

- REFUGEE FROM AFGHANISTAN

**“Jewish Family Service really became our family. They became our community. We did not feel isolated anymore...I can always ask for assistance, and they will help me.”**

- OLDER ADULT SERVICES CLIENT AND WIFE OF A HOLOCAUST SURVIVOR
