

Our Jewish Families

A Parenting Workshop for LGBTQ Parents

Raising Jewish children as an LGBTQ parent is a unique experience. The Jewish community may sometimes feel inclusive and at other times feel exclusive. We may struggle to find visible Jewish role models from families like ours. How do Jewish and LGBTQ identities impact our role as parents? How does Jewish tradition and thought inform our unique experiences? Connect with other LGBTQ parents in this interactive workshop facilitated by Dr. Suzanne Engelberg and Rabbi Beth Singer.

Jewish and Interfaith parents welcome to attend!
