ABOUT THE LUNCHEON

In May 2003, JFS began an exciting event tradition in the Northwest with the first-ever JFS Benefit Luncheon. It was a resounding success and has grown bigger and better every year since. In April 2018, over 1,100 people came together to support JFS. The 2018 Luncheon was the most significant fundraising event in the Greater Seattle Jewish community, with contributions in excess of \$1,514,000 to support JFS clients, services and programs.

As in the past, sponsors are being sought to underwrite the event so that donations can fully support our community's most vulnerable individuals and families with the help they need to recover the hope they deserve.
