

Tzedek Together: A Family Service Experience

Looking to connect with other Jewish families and explore Jewish values in a hands-on, kid-friendly way? Join us for a new pilot program for Jewish families with children in K–3rd grade.

Families will participate in four meaningful experiences, including:

- **Holiday celebrations**
- **Storytelling**
- **Family service projects**

All activities are inspired by the JFS mission to support Jewish individuals and families, refugees and immigrants, and the broader community in achieving well-being, health, and stability.

Let's put Jewish values into action — together.

JFS celebrates the diversity within our Jewish community including interfaith, LGBTQIA+, and multi-racial households. Families of all backgrounds are encouraged to apply!
