

Spring Pre-Passover Food Drive

March 13 to 30, 2026

As you prepare your home for Passover, please support our community members by donating non-perishable, unexpired food (chametz and non-chametz) from your pantry to the Polack Food Bank. Your generosity helps nourish neighbors with dignity and respect and strengthens the safety net for those facing food insecurity. Every contribution makes a difference.

How to drop off your donation:

- Please sign up using the QR link to drop off your donation during our drive. For safety and security purposes, we aren't able to take donations that aren't pre-registered for drop off.
- We can only accept unopened, non-perishable, and unexpired items. Please double-check the expiration date before donating.
- If you would like to coordinate a drive for a group, we are happy to share some donation boxes with your community, just let us know.
- If you would like a tax receipt, please email us at inkinddonations@jfsseattle.org.
